1. Brief overview of this user guide

This guide is prepared to help you navigate through the Federal Tax Authority (FTA) website and successfully complete your Value Added Tax (VAT) registration form. It is designed to help you:

- **create an e-Services account** with the FTA (you will need to do this before you can register for VAT);
- **provide accurate answers** to the questions on your VAT registration form by explaining what information you are required to provide; and
- **understand the icons and symbols** you might see as you complete the registration form.

You should find that setting up an e-Services account is similar to setting up other online accounts. The VAT registration form is also designed to be straight-forward and wherever possible it will auto-complete information for you.

If you need help setting up your e-Services account or have questions on specific fields in the VAT registration form, please contact us.

2. Creating and using your e-Services account

When you arrive at the FTA website, you will notice in the top right hand corner of the screen you have the option to either *Sign up* to the e-Services account service, or *Login* to an existing e-Services account.

2.1 Create an e-Services account (new users)

2.1.1 Sign up

To create an account, simply click on the *Sign up* button on the home page.

To sign up, you must enter a working email address and a unique password of 6-20 characters that includes at least:

- one number;
- one letter; and
- one special character (i.e. @, #, \$, %, &, and *).

You must confirm that you are a genuine user by completing the alphanumeric verification test that you will see.

Finally, you will be asked to select a security question, provide an answer to it and a hint in order to recover your password in case you forget it.

Please read and agree to the Terms & Conditions of the FTA in relation to using e-Services and the FTA website before clicking the *Sign up* button.

2.1.2 Verify your e-Services account

You will receive an email at your registered email address asking you to verify your email address.

Do this by clicking on the *Click here to verify your email* text in the body of the email that you have received.

Please **verify your email address within 24 hours of requesting to create the e-Services account**, otherwise the verification link will expire and you will have to re-register. Once you have

successfully verified your email address, your e-Services account will be created and you will be invited to Login for the first time.

2.2 Using your e-Services account (registered users)

When you arrive at the FTA website having created an e-Services account, simply click on the *Login* button. Enter your registered e-Services username and password when prompted to do so. You will also be asked to complete an alphanumeric verification.

To change your e-Services account password or security question/answer, click on the *My Profile* tab.

To exit from your account, click the *Logout* button at the top right hand corner of the screen.

2.2.1 Services available in your e-Services account

It is strongly recommended that you read each of the sections carefully. **Once you have done so, check the *Click here* box to confirm that you have read it in order to move forward.**

3.1.2 Steps for completing the VAT registration form

There are 8 sections that must be completed on the VAT registration form. Your progress will be shown each step of the way (denoted in brown) with each completed section shown in blue with a green tick mark:

4. Completing your VAT registration application form

The VAT registration form captures a number of details about the applicant. The following guidance is designed to help you understand the questions that the form asks in order for you to complete the form accurately.

1. About the Applicant

On what basis are you applying for registration?

You should register the person that is operating a business, not the business itself.

A person can be an individual (i.e. operating as a sole trader), or a legal person (e.g. an incorporated business, a company) or another form of entity (e.g. an unincorporated body such as a charity or a club, a partnership or a trust).

Generally, a VAT registration covers ALL of the business activities undertaken by the registered person.

Natural person is simply an individual operating in their personal capacity (i.e. they are not incorporated as a company). The definition covers individuals, individuals operating in partnership where the partnership itself does not have a specific legal form (e.g. LLP's) and similar).

Legal person is an entity with legal personality formed under the relevant laws that is capable of entering into contracts in its own name. For VAT registration purposes, the definition can include companies and other incorporated corporate entities; partnerships with legal form (e.g. LLP's); clubs, charities or associations; Federal UAE Government entities; Emirate UAE Government entities; foreign government representations (e.g. diplomatic missions) and international organisations; and other entities with similar circumstances.

Please note, **branches** are not legally distinct from the wider entity to which they belong. Therefore, registration will not be made in the name of a branch but in the name of the parent where it meets the relevant criteria. Even if you are operating via branches in more than one Emirate, only one VAT registration is required.

If other, please specify

You must specify the type of the person you are registering if you select either of the option “Natural person - other” or “Legal person - other”. It is not mandatory for you to provide further details in other situations.

Do you hold a Trade License in the UAE?

In the UAE, the term Trade License is often used interchangeably with business license, commercial license or similar. It refers to any such license issued by an authorized issuing body in the UAE, including those in a UAE Free Zone.

If you hold one or more Trade Licenses, you must select “Yes” for this question and complete the additional information requested. Otherwise, please select “No” (this includes instances where a non-established business is required to register in the UAE).

Are you registering mandatorily or voluntarily?

For businesses resident in the GCC and UAE Federal and Emirate Government bodies

Mandatory Registration: You will be required to register if you are a business that is resident in the GCC and you are making supplies of goods or services in the UAE and either:

1. Your turnover was more than AED 375,000 in the last 12 months; or
2. You expect your turnover to be more than AED 375,000 in the next 30 days.

Voluntary Registration: If you are not required to register, you will be eligible to apply for registration if:

1. Either your turnover or expenses (which were subject to VAT) were more than AED 187,500 in the last 12 months; or
2. You expect that either your turnover or expenses (which were subject to VAT) to be more than AED 187,500 in the next 30 days.

Turnover is calculated based on the total value of taxable supplies (this includes zero rated supplies and excludes exempt supplies). Expenses are calculated based on the total value of purchase which is subject to VAT.

For a more detailed explanation of what can be and/or should not be included when calculating the turnover/expenses, please refer to the Taxable Person Guide for VAT”

All Designated Government Bodies must register for VAT purposes

A Designated Government Body is a government entity that has been so designated by a decision of the Cabinet and is required to register for VAT purposes (irrespective of the registration threshold).

A Designated Government Body may not apply to cancel its VAT registration unless by way of a Cabinet Decision permitting it to do so.

For businesses resident outside the GCC states implementing VAT

You are **required** to register if you are making or expect to make supplies of goods or services in the UAE and there is no other person who is required to account for the VAT due in the UAE on your behalf (e.g. where your customers are private individuals).

Are you also applying to create or join a Tax group?

You can create a Tax group between two or more legal persons (each of which must be resident in the UAE) that are associated and which meet specific control criteria.

Please select this option if you intend to create or join a Tax group. For more details, please refer to the Tax Groups Guidance Note.
